## PROFILE

I have always been a competitive one. What drives me is the urge to get every bit as close to perfection in whatever I am doing. Being a part of the community that helps shape the new world has always served as a motivation to me. I tried my hands on various programming languages like C, C++, Java. Possess strong leadership and communication skills with fluency in English, German, Hindi. Keen to pursue a career in software engineering.

I am currently pursuing my Btech degree in computer science and engineering from SRM INSTITUTE OF SCIENCE AND TECHNOLOGY
